

Boat launches

Public boat launches to access Puget Sound are available from the mainland at Kayak Point County Park, 15610 Marine Drive, a single lane boat launch about eight miles south of the city of Stanwood. (pictured here) A permit must be purchased prior to launching, which can be purchased at the park or contact the parks office at 425-388-6600. Island public launches are located at Camano Island State Park, Maple Grove, Utsalady and Cavalero County Park (see map on page 3).
