

# Camano Island welcomes you

Camano Island Chamber of Commerce welcomes visitors to the island at Terry's Corner, located shortly before the first traffic signal at Sunrise Boulevard and North Camano Drive. A visitor kiosk is open Mon. – Sat., 9 a.m. - 2 p.m. Original public art pieces decorate the garden area, each created by local artists. Abutting the visitor information area to the west is Freedom Park, a 3.3-acre park donated by Brown and Cole Corporation to Camano Action for a Rural Environment (CARE), which was dedicated as a memorial to Pearl Harbor survivors. It is the only such park in the continental U.S. (and outside Hawaii) that is dedicated to Pearl Harbor survivors. In addition, restaurants, Camano Island Coffee Roasters and Camano Island Library make up Terry's Corner.
